For organic gardening.

Controls insects and mites.

200ml

Yates® Nature's Way® provides an easy way to organic gardening. This product is approved for use in organic gardening.

A soap based spray made from natural vegetable oils, **Yates Nature's Way Vegie & Herb Spray** controls insects and mites on home grown vegetables, herbs, fruit and ornamental plants. No withholding period means you can eat vegetables and herbs without waiting, simply wash before eating.

A percentage of this sale is donated to Landcare to continue initiatives protecting and repairing the environment.

HOW TO PREPARE	HOW TO USE: Shake bottle well before use
Shake bottle well. Measure out required amount of Yates Nature's Way Vegie and Herb Spray and mix in a clean, soft water. Keep spray agitated during use.	DO NOT spray when shade temperatures exceed 30°C. DO NOT spray when soil is dry and plants are suffering from moisture stress. DO NOT spray if rain is expected within 2 hours. DO NOT mix with other insecticides or fungicides.

PLANT:	PEST CONTROLLED:	RATE:	HOW TO APPLY:
Indoor and outdoor plants, including vegetables, fruit and nut trees, pot plants and ornamentals.	Aphids, thrips, mealybug, two-spotted mite, spider mite, whitefly.	15-30ml per litre of water. Use the lower rate on plants with tender foliage.	Spray pests and all foliage surfaces thoroughly when pests are first noticed. Apply just to the point of run off. Reapply every 5-7 days or as required. The best time to apply is in the cool of the early morning or late evening. Use the lower rate on plants with tender foliage.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO INSTRUCTIONS STATED UNLESS AUTHORISED.

WITHOLDING PERIOD: NIL

CAUTION: DO NOT use on delicate plants such as ferns, mosses and flowers and avoid over applying on soft foliage plants. DO NOT allow chemical containers or spray to get into drains, sewers, streams or ponds.

STORAGE AND DISPOSAL: Store in the closed, original container in a cool, dry place, out of reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS: Avoid contact with eyes and skin. Wash hands after use.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131 126.
